

Dear Exhibitor,

The Virginia Health Information Management Association (VHIMA) is pleased to invite you to exhibit during our 56th Annual State Convention being held at the Fredericksburg Expo Center in Fredericksburg, VA, April 25 - 27, 2007. Our theme this year is "Kick It Up a Notch".

This is our first time meeting in Fredericksburg. The Expo and Convention Center is conveniently located just off I-95, half way between Washington D.C. and Richmond and is close to premiere shopping and dining.

Vendor registration includes booth space as well as participation in all breaks and dining events and the President's Reception on Wednesday evening for the two attending participants. Many opportunities for event sponsorships and advertising are also available. See complete packet for details.

VHIMA is a professional association representing more than 800 health information management professionals who work throughout Virginia's health care industry. These professionals represent multiple areas of health information management. This event will provide an excellent opportunity to contact new clients and build existing customer relations.

We are very excited about our 2007 State Convention and look forward to having you join us for the event. We realize time spent in the exhibit area is crucial to your business; therefore we have structured the exhibit area activities to provide maximum traffic flow and opportunity for contacts with your current and potential customers.

We are looking forward to welcoming you in Fredericksburg. If there is any way we can be of further assistance, please contact me at (434) 243-9659 or lew3c@virginia.edu.

Sincerely,

*Loren Wolf, RHIA, CPHQ
