## Central Virginia Health Information Management Association

*Founded in 1975*

Membership is open to health information professionals, coding professionals and persons employed in health information departments or other means of health care delivery in central Virginia

Meetings are held at 1:00 p.m. on the second Wednesday of the months of January, March, May, July, September and November alternating between Lynchburg General Hospital, Virginia Baptist Hospital and Central Virginia Training Center. A one hour continuing education program is followed by our business meeting.

We are an approved continuing education vendor of the American Academy of Professional Coders (AAPC).

CVHIMA also host a half-day seminar in the Fall.

Inquiries Welcomed!
