

Directions
Sentara Virginia Beach General Hospital
Health Education Center
1060 First Colonial Rd.
Virginia Beach, VA 23454

From your home city, travel to I-264 towards Virginia Beach. **You will take the “ First Colonial Rd, North exit (2nd First Colonial Rd. exit)”**. At this point, you can also follow the blue “Hospital” signs. You will merge onto First Colonial Rd and pass through six traffic lights. **The sixth traffic light will be Wildwood Rd. Start to slow down before this sixth light, as after you go through it, you will make a right turn at the 2nd Street – The Sentara sign near the road states “Outpatient Entrance, Health Education Center and Radiation Oncology”**. After this turn, you will make another immediate right turn into the parking lot. Park towards the back of the lot – spaces most far from First Colonial Rd. There is a doctor’s parking lot between this lot and the HEC building. The Health Education Center is detached from the hospital and located directly across from the Emergency Room. If this lot should be full, you can park in a visitor’s space, in front of the outpatient entrance or main hospital entrance.
