

IT'S ALL POSSIBLE!!!

EXPERIENCED

Intuition. It's this intangible quality of ours that benefits the clients served by ProScript. Our management team has a combined 100+ years of experience in the acute-care medical transcription field, giving us the ability to anticipate your needs and expectations **every day**.

HIGHER STANDARDS

Reaching beyond the expected. ProScript is focused and committed to providing a higher standard of service exclusively to acute care hospitals. This focus allows us to continually enhance our state-of-the-art transcription platform to meet the specific needs by increasing efficiency without sacrificing document quality or expected turnaround times.

INTELLIGENT PLATFORM

One size does not fit all. ProScript has created a finely tuned transcription platform that intelligently mixes a combination of experienced domestic transcription and voice recognition to deliver exactly what you need, when you need it!

MAKING THE GRADE

Each quarter, we conduct a brief, yet thorough, phone survey with our customers which gives them the opportunity to grade our performance against key criteria: Quality, Service and Support, Report Turnaround and Technology.

**Accurate, timely, cost-effective medical transcription.
It's all possible with ProScript.**
